*Dear Family Member,*

With much love and thanksgiving we greet you! We pray that all is well and we speak the blessings of the Lord on each of your households and respective families. Beloved, the first thing we would like to let you know is that we are blessed! Though the times have changed and we have expanded and matured as a church family we would like to let you know that our gospel has not changed. We still minister a timely word to hundreds of students and families in the city of Bloomington every year and we still stand as a pillar in the city of Bloomington.

We've also been blessed to serve hundreds of families in ***our community*** through our monthly food giveaways, provide small grants to ***families*** and individuals in pressing financial circumstances, visit the ***sick and elderly*** in our nursing home and hospital ministries and purchase school supplies and clothes for families with children through our back to school ministry. The success of these programs hinge on the generosity of sowers like you; who make our efforts possible.

Chosen one, *Anointed Harvest Fellowship Church* continues to be a church of destiny. We are certainly on the move and we wanted to update you on exciting things that are taking place on this side of God's heavenly vineyard. The year 2008 is truly the year of ***new beginnings*** for the Anointed Harvest Fellowship Church Family. We are in the process of expanding our services and programs to the community and transitioning into a new building that will better equip us to fulfill our vision to spread God's word and love to all.

The Capital Campaign that is today being launched provides us with an opportunity to ***translate goals and values into action*** and will, upon its successful completion, make our church ever more vital for those around us. Our current fundraising target is \$100,000 dollars. We invite you to explore our website [www.anointedharvest.org](http://www.anointedharvest.org), you will see more detailed design renderings of our vision and view the many ways you can learn about and participate in this critical effort in the upcoming weeks. We would appreciate your financial sponsorship. Our capital campaign has already started fundraising by accepting donations from our current congregants and several past members from around the country have already stepped up to the plate! We are looking for one hundred family members like you to make a \$250.00 contribution to our capital campaign. Some of you may be able to give more and others less; regardless of your love gift the good Lord will bless you for your sacrifice! If you can match this pledge of \$250.00 or more we will reserve a place for you on our ***Wall of Sowers*** where your name will be displayed in the back of our new sanctuary for all to see! Personal pledges of \$500.00 or more will become Gold members and will receive a recent Sunday Service on CD. Pledges that exceed \$1,000.00 or more will become platinum members and we will send you a CD, our double disk 12<sup>th</sup> Anniversary Service on DVD and a gift bag.

To show our appreciation for your *tax deductible contribution*, all donations will be publicly acknowledged during our weekly services and listed on our website throughout the duration of our campaign. Thank you for taking the time to read this letter about our campaign. We hope you consider making an investment in God's Kingdom. For donation purposes, please make your check or money order out to Anointed Harvest Fellowship Church. Mailing address is: P.O. Box 5602, Bloomington, Indiana. 47407. If you would like more information or if you have any questions please feel free to contact my secretary: [vgithri@gmail.com](mailto:vgithri@gmail.com). God bless you and your family in Jesus Name!
